## Customer Reviews

OK, but not what I expected. Not as detailed as I thought it would be.

My Husband was very pleased with this Map

Great reference

The map is great. Getting was a long wait.

Great map since GPS and phone service is spotty in the UP

I like this map because it is just the of the Upper Peninsula. Makes it easier to read than the whole state map.

Great foldable map with huge blown up maps of the major cities in the UP.

Need more forest service roads so many missing
