37 Fabulous Hi Def Fotos Of Females Vol. 10 Young Women #1

Synopsis

Daisy Lovely trained as a make-up artist at one of the most famous schools in Hollywood. Her hobby is to create collections of images of females that constitute outstanding examples of make-up and photographic artistry. The topic of this Vol. 10 is the art of applying makeup to and photographing young women. This book illustrates the concept that, for young women, the trend is to go easy on the cosmetics and instead subtly emphasize the model's youth. As in previous volumes, the organization of this Vol. 10 is simple: Each page consists of one high-definition image plus a link to the portfolio of the photographer who created it. Daisy's hope is that readers will enjoy viewing this collection of images of young women as much as she has enjoyed creating it and then periodically viewing it on her HDTV after downloading the appropriate Kindle app for her computer.
