Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

I used to teach a quickhymns class I was trying to develop. This book is the same idea and all the work is done! So great to have 100 common hymns all in c! I've played for years and given lessons for years but if your time to learn is limited and you have a basic understanding of theory (beats, rests, and the treble staff) this is a great book. Both my teens had to learn to play a congregational (the congregation would sing with) for youth night (the teens take over the service), and they only had one month's notice. This book made that possible and they each learned a song from scratch on a month (one even learned an extra song on his own to play for the offertory). Well worth the money. I've recommended it to several people and am currently getting ready to teach a six week crash course for some ladies from a church without a pianist.

Great book for beginners. Large print, treble clef (right hand) only, with chords written above.

Loved this little book sooo very much. Always wanted to play the piano and finally, I'm learning. Thanks so much!

Love the songs in this book and they're easy to play for a beginning guitar player like myself!

Exactly what I was looking for. Good combination of older and newer hymns

Excellent!

Great service, great book.

All of the Hal Leonard Easy Piano books are great for the skill level they are targeted for. More of these books with Jazz Standards of the 30's, 40's, 50's, 60's and 70's would in particular, would be personally appreciated. Jazz and smooth jazz is not covered as well as it could be with songs that are currently out of print in particular and in danger of being lost forever.
