True Existence - The Chasidic View Of Reality

Synopsis

True Existence - The Book This discourse revolutionizes the age-old notion of Monotheism, i.e., that there is no other god besides him. Culling from the Talmudic and Midrashic sources , the discourse makes the case that not only is there no other god besides him, there is nothing besides him-literally. The only thing that truly exists is G-d. True Existence - CD Venture beyond science and Kabbalah and discover the world of Chasidism. This Video-CD takes the viewer step-by-step through the basic Chasidic and Kabbalistic view of creation and existence. In clear, lucid language, Rabbi Manis Friedman deciphers these esoteric concepts and demonstrates their modern-day applications.

Book Information

Hardcover
