Customer Reviews

It's my dream that I have a blog that has some commercial application to attract both an audience and customers to monetize it; that's a long way away though; the first step is to start it and produce the right content. Everyone is talking how awesome is to have a blog and I love adventure so I was thinking that it could be great to have a blog about adventure but I always thought that it's incredibly hard to make it happen. Then I found this book, and it shows each step

what to do and how to do. The author offers terrific step by step keys to getting organized, writing great content, and promoting your blog. Finally, now I have a blog and I made it by the help of this book. Thanks a lot to the author.

If you are thinking about starting a blog, you need to read this book first. It is a first-hand, honestly written book that clearly outlines how to start a blog and how to monetize it. It's a nice, quick read, with lots of specifics and links that you can use right away. This book has offered you in simple and easy terms, the very basics of blogging. this book has aimed to help readers like me understand what you need to do and how much you need to do in order to join the ranks of the fabulous. This book also contains information about why do people visit blogs, blogging for beginners, getting started with writing a new blog, steps to start a nice blog, maintaining a blog for your business and good tips on the blog. All content is very informative. I would recommended this book.

This book was very easy to read and provided a lot of helpful information, this book is very helpful for anyone who wants to start blogging or who desires to learn more and improve their blog and earned money. This book is a great book to give you all of the basic information you need on blogging. I'd highly recommend it for those just starting to blog, and it does a great job of giving step by step instructions and techniques for a lot of different things. I could see it being very helpful for those who have no idea where to start.

With this book, you will learn the different tips, tricks, strategies and techniques you need to consider as a blogger. It is a comprehensive guide that takes you into the course of your blogging journey " from starting the blog, writing relevant contents, promoting your site, selling ads, joining networks, etc. This is perfect for those who want to be a skilled blogger!

I've been looking for a good book on Blogging for making some money which will helpful for continuing my project. This term is not new to me but I had bit knowledge about Blogging. I am a fresher and wanna know all the features of Blogging. I think it is a great source of passive income. This book describes the easiest ways of making more money through own blog. Andrew described it very clearly and all the chapters were very helpful for me as a fresher. This book describes all the things step by step. This book really covers all the areas of Blogging. Overall, this book is very informative and comprehensive. If you are looking for a good book on Blogging, then I would highly recommend that you read this book. Thanks Andrew Johansen.

Awesome!! I just started blogging in February but I had no clue on what to do. I am still new to this and trying to understand the basic fundamentals. Loving it so far, even though its only 53 pages, I still haven't finished. I just wanted to post this review to say how I recommend anyone starting out to check out this book!

This is the simplest way of blogging. This guide gives perfect techniques of blogging, how to start it and to go about it. The author puts it in the simplest way to understand and it is indeed easy. It enables one make money easily and I really like the book. A nice book. I love it. Great work of the author.

In modern world there are many ways to earn money by using internet. Out of which blogging very easier to earn. You need to select the topic and you also need to learn the art to attract visitors. What are the tools and their use to make your blog are discussed here. This is very informative book on blogging.
