Easy Gardens Volume 10 - Paths And Walkways

Synopsis

“Easy Gardens Volume 10 – Paths and Walkways” explains how to have a beautiful garden 12 months a year with little or no work. Choose from the many curved and straight path and walkway designs presented, including pebble, brick, tile, steppingstone, wood and grass, to make your garden gorgeous year around. Discover inexpensive ways to repair broken concrete and asphalt walks and how to make new concrete areas lovely works of art. For 20 years I lived in Philadelphia and had various walkways to accent my shady and sunny gardens which bloomed 12 months a year with little or no maintenance. You, too, can do this. It seems almost unbelievable, but in one year you can have fun and watch your easy garden grow. **SELECT A QUICK AND EASY GARDEN STYLE** to match your needs. Decide what you want to do in your garden, look at the physical layout and shape of your garden, choose the color and texture of your flowers, bulbs, bushes and trees by following the easy steps presented in 115 pages. **PREPARE THE SOIL** or use the raised bed designs which do not require digging. **SELECT THE PLANTS** by growing season so that you can have flowers every year with little work. Each year they will grow, bloom and die back on their own. Do the work one year and reap the harvest for many years to come. **PLANT YOUR PLANTS AND BULBS** so that few weeds can grow, water them the easy way and enjoy your slice of Heaven. Learn about selecting, planting and enjoying **TREES AND BUSHES** as they become beautiful every year with their blossoms, fruit, colorful leaves and berries. You can also choose evergreen trees and shrubs so that you have a wide range of colors, shapes and designs in your garden year around. Valuable information is also included on compost, fertilizer, mulch, weeds, disease and where you can find bargains and **FREE PLANTS**. Enjoy “Easy Gardens Volume 10” so that you can have a beautiful garden 12 months a year with charming paths and walkways by following the simple steps. You can also purchase the complete book, “Easy Gardens A to Z” at www..com. The original “Easy Gardens A to Z” is a compilation of all I have read and learned firsthand over the years. It is written in a format both beginning and experienced gardeners will find easy to follow, using common names for plants. It requires little or no maintenance for your garden to look beautiful year around if you follow the directions in “Easy Gardens A to Z” – the only book you need to purchase. Guided by the table of contents, you will readily find answers to all your questions: *FROM designing your garden by following the easy steps in the 47 complete garden designs plus HUNDREDS of other design ideas; *TO designing decks, paths and water features; * TO preparing your soil or using the no-dig raised bed designs; * TO planting and maintaining shady and sunny perennial and annual flowers, vegetables, fruits, bulbs, grasses, climbers, bushes and trees; * TO dealing with garden compost, fertilizer, pests, weeds and

disease; *TO reaping your harvest. You can have fun and feel pride in your gorgeous year-around garden which takes little or no work.â œYour gardening book is very concise and practical. If one puts into practice the instructions and information that you have parlayed â œ spectacular gardens will be the end result. Well done.ï¿½ Margarita Kybartasâ œYour garden in Philadelphia was spectacular. You used a lot of land and it wasn't difficult to always have something in bloom.ï¿½ Betsy Weissâ œCongratulations to you on your practical, easily understandable and delightful book, â œEasy Gardens A to Z,ï¿½ which has over 300 pages chock full of everything a gardener wants and needs to know to plant a lovely garden. It is nicely painted with personal vignettes from your own experience. It felt like a lovely garden walk when reading it.ï¿½ Margaret Salisbury
