JANE SHAW WHITFIELD was a noted crossword puzzle expert and author of rhyming dictionaries.

The content is excellent. My husband has the second edition by the same author and has worn it to a frazzle and I was hoping to throw that one away when this one arrived but since it is not as easy to read because of the size of the print and the size of the book (pocketbook size whereas the last one was 6x9) I think that is not going to happen! I had searched every bookstore for this book but did not find it so I was pleased to find it on .com. He has numerous other books but none of them satisfy his need as much as this one. So therefore, I am disappointed with the book. He will go back to the old one. Would you like to see an old delapidated book sitting on your table all the time? No, No. The USPS service was very slow but of course it was at Christmas time. Thanks for the opportunity to comment.

Bought as a gift and mother-in-law uses every day. She is not rough with things so I can't verify it's durability. 1 year later and it still looks new.

Ordered: Merriam-Webster Crossword Puzzle Dictionary, Second Edition, as was shown on the ad, used. Received: The item shown on this comment request. Different format, not as useful. Not worth time and effort to return. Would try again, but skeptical about the outcome. The other used ones were very cheap and may not be better than the one we have had for a dozen years, is very beat up, but better than the one we bought.

Wonderful best book purchase ever made. keeps my lovely wife quiet for one and a half hours every morning in bed doing her cryptic crosswords. Guys if you can't read the morning paper in peace buy one of these.

This helps me when I just can't get the word I need for my daily Crossword. Puzzle. I use this every morning and have fun with it.

Good dictionary espe iallh for. Rosxwords.

Love it! Use it everyday!

Got this for my hubby as he wore his other one out!
