Founded in 1947, Hal Leonard Corporation has become the world's largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Absolutely fabulous, excellent, ample collection with beautifully arranged accompaniments, well researched and written historical and performance notes on all the characteristic forms, and a very well edited score, with brilliant performances on the included CD. I would highly recommend it to any flutist or flute teacher with an interest in Latin American music and a fantastic selection of technical and rhythmic challenges.
