From the creation of day and night through Adam and Eve in the garden, emergent readers will learn the Bible's first story. Children can read the simple text by themselves---and enjoy the vibrant Beginner's Bible artwork.

Kelly Pulley has illustrated dozens of The Beginner's Bible[®] books for over ten years. He started his career as an artist working on licensed character T-shirts for an apparel company. He currently lives in Tennessee.

If it was more accurate according to the Bible, I would have liked it a lot. I did like the last page that talks about why Jesus came. That was a nice addition to the Adam and Eve story. It is Okay for

children to start with, but I prefer starting even small children with the actual truth, not a made up story that is not true.

Got this as a take along book for my daughter. Wanted something to grow with her that was Biblical so that I can teach her to read and about Jesus at the same time. This book is great. When I can't read to her she is entertained by the pictures, but I can teach her simple words as I read and eventually she will learn to read it on her own. Very happy with this book and thrilled there are more.

Good book

Gift to kids 4-8 and was told they can't stop watching and reading. What more do you want. Oh yes, they do ask so many questions of their parents--now THAT is family.

We love the learn to read books and this one being about the Bible was even better!! They are great starter books to get them reading and learning about the Bible all at once.

I love this book. It tells me about how u need to listen to God. I read this everyday. I get closer to God everyday! Purchase this wonderful book.

My granddaughter is learning to read. She has to read 20 minutes a day. She really enjoys reading this book. And it is teaching her about God. If the the school only knew.

Great beginner reader. Goes along with the Beginners Bible. Great for homeschool.
