As always, the AIO team delivers quality engaging stories with biblical principles. The only complaint I have is that one or two of the episodes are repeats from another CD. My son doesn't mind but I would have liked to have known that when I was purchasing the product.

My 2 youngest boys had these tapes growing up. We listened to nearly everyone of them. Wonderful moral lessons and very entertaining. Note that the voice of the soda pop owner is the guy who played Otis on the Andy Griffith show.

We have always loved the Adventure in Odyssey stories! Ordered late, still had them for Christmas!

I love Adventures in odyssey!!! When me and my friends are driving down the road we just throw an Adventures in odyssey CD in the CD player. And we don't even worry about when we're going to get to where we're headed. We're just having fun listening to the CD.. And great reliable services to when it's gonna be delivered to you... AWESOME!!!! :)

Our family listened to these whenever we were traveling. They are the BEST. We LOVE them.

Love these stories! Full of life lessons for kids and adults.

Great stories for little (and older) ears! Adventures in Odyssey has a great reputation for presenting fun and value filled stories that capture the attention of individuals of all ages. Highly recommended for a road trip or just to listen on a lazy day!

Kids love this one, they play it over and over again. My kids have almost all of the odysseys and they listen to them every night. They really like this one the best.
