Customer Reviews

Lots of detail on every page. pages are not perforated but they can be cut out easily. Overall I am impressed with the amount of detail and clean lines. I would recommend this book for everyone that enjoys coloring details!

Very cute.. Not a fan of the black inside but nice pictures.

I have 2 of these books, the one that has pages with the white background and the midnight version, and love them both. I like the drawings, especially the intricate ones which challenge me. i hope the author is preparing more Day of Dead volumes!!

Absolutely beautiful, my favorite one yet!

These pictures are very intricate and fun to color!

Beautiful quality coloring book!

Loved the designs and the thickness of the pages so there was no bleed thru

The background is black instead of white like the picture you color.
