Better Than Perfect (Wild Cards Book 1)

Synopsis

A fresh and fun repackaging of *Wild Cards, Better Than Perfect* launches a romantic new series from New York Times bestselling author Simone Elkeles. After getting kicked out of boarding school, bad boy Derek Fitzpatrick has no choice but to live with his ditzzy stepmother while his military dad is deployed. Things quickly go from bad to worse when he finds out she plans to move them back to her childhood home in Illinois. Derek's counting the days before he can be on his own, and the last thing he needs is to get involved with someone else's family drama. Ashtyn Parker knows one thing for certain--people you care about leave without a backward glance. So when her older sister comes home after abandoning her ten years earlier, with her hot new stepson in tow, Ashtyn wants nothing to do with either of them. Then she comes up with a plan that would finally give her the chance to leave, but it requires trusting Derek--someone she barely knows, someone born to break the rules. Is she willing to put her heart on the line to try and get the future she wants?

Customer Reviews

Im sorry to say that this book was blah for me. I was expecting more coming from Elkeles. Ive read her other books and loved them. The characters were okay, the best one for me was the

grandmother which is sad to say since shes only in the last couple of chapters, but she made me laugh and cry.

I enjoy this author but the story line here has been done before and better. Rich next to poor kid. Smart straight laced next to troubled wild child. Sexy and popular with unknown but all of a sudden attractive kid.

Dang it! I already had Wild Cards and didn't notice that this one was that book rereleased with a new title. Rats.

.. Not Impressed but nice story but there are better ones on Wattpad so would not recommend to any one

So amazing , I just couldn't put it down . I was so glad that it ended the way it did .

It is such a good love story for teens if you love a love story this is the book for you

Amazing as always she is becoming my new favorite author. Going to buy another book by her to read soon.

It seemed corny and contrived and predictable and still I couldn't put it down. Love Simone Elkeles!
