The Haunting Of Las Vegas

Synopsis

Though the lights rarely go out in Las Vegas, many have reported encounters with otherworldly specters. Ghosts of all varieties haunt halls and corridors, and spirits of famous individuals are reputed to make regular visits. It is not uncommon to hear tales of Elvis idling around backstage at the Hilton Hotel and Liberace appearing at his favorite restaurant, Carluccio's, or playing the piano at his residence known as the "White House." Other famed characters like Bugsy Siegel and Shoney, the once celebrated show elephant of the Luxor hotel, are also known to make their appearances from the other side. Haunted locations abound in this city of sin and frivolity.

Book Information

Paperback: 221 pages

Publisher: Pelican Publishing (September 12, 2008)

Customer Reviews

"THE HAUNTING OF LAS VEGAS is a macabre compilation of the eeriest haunts of Sin City. The city never sleeps, nor do its restless spirits." --Kalila K. Smith, author of NEW ORLEANS GHOSTS, VOODOO, and VAMPIRES

"The Haunting of Las Vegas is a macabre compilation of the eeriest of haunts of Sin City. The city never sleeps, nor do its restless spirits."--Kalila K. Smith, author of New Orleans Ghosts, Voodoo, and Vampires
"It's great to see another excellent book on the haunted history of U.S. cities. From Las Vegas to New Orleans, the paranormal comes alive! Janice has succeeded in bringing more attention to the undeniable existence of the spirit world."--Sidney Smith, owner/founder, Haunted History Tours, New Orleans, LA
The legends and lore that surround Las Vegas are only a part of the

total experience. Though the lights rarely go out here, many have reported encounters with otherworldly specters of all kinds. Is it any wonder this larger-than-life area, celebrated not only for the glitz and the glam, but also for its mystique and intrigue, is more than just headliners and casinos? Here Sin City's ghosts also take center stage. Spirits of all varieties haunt halls and corridors, and apparitions of famous individuals are reputed to make regular visits. It is not uncommon to hear tales of Elvis idling around backstage at the Hilton Hotel or Liberace materializing at his favorite restaurant, Carluccio's. Other famed characters like Bugsy Siegel and Shoney, the once celebrated show elephant of the Luxor hotel, are also known to make their appearances from the other side. Haunted locations abound in this city of indulgence and frivolity. Author Janice Oberding has been investigating the paranormal for more than thirty years, and she has consulted on the subject for The History Channel, Living TV, The Travel Channel, and Fox Television. She has developed and taught classes at colleges throughout Nevada, including Truckee Meadows Community College in Reno, Great Basin College in Elko, and Western Nevada College in Carson City.

The beginning has many short but complete stories of several areas in Las Vegas. I love how the author has a creative way of writing. This book isn't just about hauntings, although they are well researched and some of the 'ghosts' don't show up and the author isn't afraid to admit it. The background history of Las Vegas with the locals lingo makes one feel they are part of Las Vegas. It's an easy book to read that keeps the reader entertained.

I have read many "haunting" books and would rate this book the best!! Janice Oberding is a historian and a ghost hunter and really provides the reader with a well rounded view of her experiences. A honest account of haunted and historical sites in and around Vegas. Loved it!

a very entertaining and well written book. i love all the background on my fav. city. i recommend this book if you are like me and love to visit the haunted places you read about.

I am a great fan of the paranormal. I really enjoyed this book. The stories were very detailed. I hope there is a Las Vegas 2
