# Messages From The Unicorns Coloring Book

## **Synopsis**

Unicorns are angelic helpers who want to assist us in living happier and healthier lives. Some people think that unicorns once lived upon the earth just like horses do. Since the unicorns were hunted for their magical horns, they decided to become invisible to those who might hurt them. Today, only children and people who believe in them can see and feel these beautiful beings. Â Unicorns have a life purpose of bringing a high vibration to our planet. They want to help you feel happy, safe, and loved. They are also here to guide all those who have creative talents. This coloring book, containing positive messages from the unicorns and stunning illustrations, will lift your mood, boost your courage and imagination, and help you focus on your true passions. Â The unicorns hope that you will join them in their magical and enchanting world so that they can help you make your most sacred dreams come true! Â

This was a gift purchase. My daughter loved it, and so did I. The pictures and messages are lovely. I may have to get the Angel book for myself. The illustrations are just like the cover. They are like a true coloring book, not tiny little pictures that are frustrating to color, with a ton of lines and designs. The pictures are of Unicorns and their various adornments. I was very pleased with this purchase, and would recommend it to any Unicorn lover.

Breathtakingly beautiful pictures

Loved this book when I seen it, and my pre-teen niece should love it as well.

Beautiful, delivered as advertised, we love it

Love adding this to my Unicorn collection:)

Love love love

I just received this coloring book & a set of markers for Christmas! The artistry perfectly partners with the inspirational prose. What a wonderful way to start my New Year. Hope to see more collaborations from Doreen & Heather in the future! Abundant Blessings!
