I just love this perpetual calendar. There are beautiful quilt blocks for each day. They are in color and the amount of yardage for each color is listed along with the size of the block. I will never throw this away.

The best collection of quilting designs I have seen in a long time. I would recommend it to anyone who likes variety in easy patterns.

I love this idea of one block a day for a whole year. It is a perpetual calendar, so it will always be on the desk top. What I like about it is the many many ideas it gives me for making say a quilt with all star blocks - or simply a sampler quilt of different blocks. Simply a great thing to own if you are a quilter.

I like that I don't have to worry about getting a new calendar every year and that tells you how to make the quilt blocks for every date in the year. It also made a nice gift for a quilter.

I love my perpetual calendar! The quilt blocks offer creativity and ideas to make your own (every day!)

Our daughter quilts so this Quilt-Block Pattern was a perfect gift for her. She loves it.

I can probably use the quilt designs. The designs are nice. It did cost more than the price on the calendar.

An easy to use calendar where you can make a block a day and have a very unique quilt at year end. Great for all quilters. Makes a wonderful gift!
