The Gorgon (The Great Knights Of De Moray)

Synopsis

An epic Medieval romance written in the same old-world vein as 'Ivanhoe', this is a tremendously powerful story of Sir Bose de Moray and the Lady Summer du Bonne. Bose was the Captain of the Guard for King Henry III until Bose's wife's untimely death in childbirth. Blaming himself and wanting to be free of the memories, he resigns his post and joins the tournament circuit to compete for money and fame. But dark rumors follow Bose; his mother-in-law is a vicious woman who blames Bose for her daughter's death. She starts nasty rumors that Bose murdered his wife, and everyone on the tournament circuit is fearful of this dark, frightening knight. Enter the Lady Summer du Bonne. A beautiful woman with a stammering problem, she has been kept hidden away from the world by her embarrassed father and protective brothers. Summer meets Bose at a tournament hosted by her brothers and for Bose, it is love at first sight. But the terrible rumors plague his attempts to get to know the lady, who is attracted to him as well. Summer's drunken father eventually pledges his daughter to Bose, but Bose's mother-in-law interferes and Summer's father decides to pledge Summer to an unscrupulous knight who has shown interest in her, and who would like nothing better than to see de Moray come to ruin. With so many forces working against the, Bose and Summer elope but they are captured and Bose is brought up on charges of thievery. A massive trial ensues and with a death sentence hanging over his head, only a miracle can save Bose and restore his honor.

Customer Reviews

A different story, with much information about jousts and tournaments. Some plots twists and surprises. Not her best story, but mostly enjoyable. Kept overusing the words "literally" and "God's Beard" (as a swear word). Referred to Bose as massive many, many times, as well as his massive arms, legs, and thighs. Summer did a lot of crying, and much of the story was sad. The two villains were so evil, they were almost not believable - I loved to hate them, as well I should!

I will fully endorse this quote from the author's promotional material: " 'detailed, highly romantic, and character-rich'. She crafts great adventures of love, battles, passion, and romance in the High Middle Ages. More than that, she writes for both women AND men " an unusual crossover for a romance author " and Kathryn has many male readers who enjoy her stories because of the male perspective, the action, and the adventure.' "

This wonderfully woven story is filled with hatred, jealousy, spite, vengefulness and lies; still, love, admiration, honesty, justice and retribution are the winners in the tourney of life.

This was so good. Summer and Bose were just so well suited, I like the way she writes, she gives you an idea of what it was like at that time. The love was beautiful.

A page Turner. Enjoyable read. Bose was a wonderful example of trust and honor. Looking toward reading more from this author.

Many twists and turns. Extremely entertaining and instructional. I enjoyed the characters development as well. The story line developed in a timely manner and there were no dull spots in the narrative

This is the amazing love story of Sir Bose and Lady Summer. What happens in just three days

changed their life's forever. Scary, and impossible events keeps the reader turning pages, fast.

Wonderful story! Another great tale from one of my favorite authors. I do wish they hadn't called him the Gorgon, it's such a vision of horror and he was such a welcome character!
