Customer Reviews

Encompassing everything from Tintin and Wolverine to censorship and comic cons, theres a lot of material to cover when talking about the culture of comics, and this slim and splashily designed book in the Pop Culture Revolutions series does an admirable --BooklistThis series on pop culture revolutions is revolutionary in its format and captures the attention of the reader. Information is compellingly presented using photographs, art work, concert posters, album covers all with concise captions and clearly writ --VOYAThis book showcases the history of comic books from the very beginning to today's internationally popular graphic novels! I enjoyed reading this well written, well organized book because I grew up reading and watching comic books, cartoons, and animated --Daily Child Book Blog
