Gardner's Art Through The Ages, Volume I, Chapters 1-18 (with ArtStudy Student CD-ROM And InfoTrac)

Synopsis

The market-leading text for the art history survey course, GARDNER'S ART THROUGH THE AGES has served as a comprehensive and thoughtfully crafted guide to the defining phases of the world's artistic tradition. With this book in hand, thousands of students have watched the story of art unfold in its full historical, social, religious, economic, and cultural context, and thus deepened their understanding of art, architecture, painting, and sculpture. By virtue of its comprehensive coverage, strong emphasis on context, and rich, accurate art reproductions, GARDNER'S ART THROUGH THE AGES has earned and sustained a reputation of excellence and authority. So much so, that in 2001, the Text and Academic Authors Association awarded both the McGuffey and the "Texty" Book Prizes to the Eleventh Edition of the text. It is the first art history book to win either award and the only title ever to win both prizes in one year. The Twelfth Edition maintains and exceeds the richness of the Gardner legacy with updated research and scholarship and an even more beautiful art program featuring more color images than any other art history book available. The Twelfth Edition features such enhancements as more color photographs, a stunning new design, and the most current research and scholarship. What's more, the expanded ancillary package that accompanies GARDNER'S ART THROUGH THE AGES, features a wealth of tools to enhance your students' experience in the course. With each new copy of the book, students receive a copy of the ArtStudy 2.0 CD-ROM--an interactive electronic study aid that fully integrates with the Twelfth Edition and includes hundreds of high-quality digital images, plus maps, quizzes, and more.

Book Information

Paperback: 560 pages

Publisher: Cengage Learning; 12th edition (February 27, 2004)

Language: English

ISBN-10: 0534640958

Fred S. Kleiner (Ph.D., Columbia University) is the author or co-author of the 10th, 11th, 12th, 13th, 14th, and 15th editions of ART THROUGH THE AGES: A GLOBAL HISTORY, as well as the 1st, 2nd, and 3rd editions of ART THROUGH THE AGES: A CONCISE HISTORY, and more than 100 publications on Greek and Roman art and architecture, including A HISTORY OF ROMAN ART, also published by Cengage. He has taught the art history survey course for more than three decades, first at the University of Virginia and, since 1978, at Boston University, where he is currently professor of art history and archaeology. From 1985 to 1998, he was editor-in-chief of the American Journal of Archaeology. Long acclaimed for his inspiring lectures and dedication to students, Professor Kleiner won Boston University's Metcalf Award for Excellence in Teaching, as well as the College Prize for Undergraduate Advising in the Humanities in 2002, and he is a two-time winner of the Distinguished Teaching Prize in the College of Arts and Sciences Honors Program. In 2007, he was elected fellow of the Society of Antiquaries of London, and, in 2009, in recognition of lifetime achievement in publication and teaching, fellow of the Text and Academic Authors Association. Christin J. Mamiya received her Ph.D. in art history from the University of California--Los Angeles, and is Professor of Art History at the University of Nebraska--Lincoln. A recipient of numerous teaching awards, including the Annis Chaikin Sorensen Award for Distinguished Teaching in the Humanities from the University of Nebraska in 2001, Professor Mamiya specializes in the areas of modern, postmodern, and Oceanic art. She has published a book on Pop art, as well as many articles, catalog essays, and book reviews. She is an active participant in the wider community as both a curator and lecturer.

This textbook was for one of my first classes entering into college. It was extremely helpful to have this while studying in conjunction with the black and white packets the school provided. Great photos of amazing historical art pieces. Surprisingly I still have this book! It's one of the textbooks I didn't sell back.

This book was shipped quickly. I love this text book. I used it in my AP Art History course in high school and I bought it again to prepare for my art history course in college. Gardner's Art through the Ages is enjoyable and informative and was never a chore to read.

this item is very helpful to me

I took an art history class at college, and I had to have this book. I sold my copy, for two bucks, no

less, and then afterwards I found myself thinking about it. Finally I decided to rebuy the book. If you love art, don't sell the book after the end of your class, just keep it. I still find myself looking up things in it, and I still like to look at the works of art.

I own both volumes, and I bought them for an Art history class in college and I kept them for my collect and to use as reference later on when I teach. Pictures are beautiful.

really fascinating book lots of detailed pictures and context. great for class,

A text book from my art class that I've actually kept and referred to years and years later. Clear, detailed and vast overview of so many art styles/genres. Never parting with this one!

Lots of amazing photos and good information. I used this book in class, but really enjoyed it even when the class was over.
