Alif Baa, Third Edition Bundle: Book + DVD + Website Access Card (Al-Kitaab Arabic Language Program) (Arabic Edition)

Synopsis

This bundle includes Alif Baa: Introduction to Arabic Letters and Sounds, Third Edition (ISBN 978-1-58901-632-3, paperback); a DVD with audio and video materials (bound in the book); and a Companion Website Access Key for Alif Baa, Third Edition (ISBN 978-1-62616-062-0). Alif Baa, Third Edition uses a communicative, proficiency-oriented approach with fully integrated audiovisual media to teach modern Arabic as a living language. The Alif Baa, Third Edition Companion Website is fully integrated with the textbook, with interactive exercises, streaming audio and video, and course-management and grading options for instructors. Alif Baa forms part of the leading Arabic language program, Al-Kitaab, now in its third edition. Using this Alif Baa, Third Edition textbook with its companion website facilitates blended learning and flipped classroom models, which have been implemented successfully at institutions large and small. The Alif Baa, Third Edition Companion Website has been designed with asynchronous learning in mind, guiding students through a series of dynamic, interactive learning and practice modules that free up valuable classroom time, while the website's course management features save instructor time.The Alif Baa, Third Edition Bundle provides everything a student needs to begin learning Arabic. The Companion Website Access Key for Alif Baa, Third Edition provides an individual student with full access to the companion website and is valid for 18 months from the student's first use of the key. Customer Reviews

Good book for beginners, but it should be much cheaper. Exercises are old fashioned and repetitive
(almost exclusively drills and dictations). The videos and audios presented on the website and the
DVD are very cheaply done: you can find better (and more fun) audiovisual materials for free on
Youtube. I learnt a lot with this book, but I shouldn't have paid $70 for it..

It was not complete as to what was required for the class. I had to purchase additional codes
needed for the class.

Worth it!

It was require for a course. I probably would get something different if studying on my own. I don't
find it as organized as it could be and lacks "flow"

Excellent materials for self-study. The whole series is quite wonderful.

Bought this as a gift and they are quite happy with it.

It's a good book for sure, but I got a bad taste in my mouth from ordering each item separately. The
answer key ISNT included, but I will tell future users that you can pretty much use an answer key
available online for free from the 2nd edition to use on the website, too (just check to make sure the
exercise is the same relying on it blindly). I am using a used workbook from 1995 and a free answer
key along with the website and it lines up very well for the most part. So well, it is a little irritating that

I paid so much for the bundle.
