The Tudor Reformation (Shire Library)

Synopsis

The Reformation transformed England forever. From peasants in the lanes and fields to the court of Henry VIII, no life was left untouched as the Roman Catholic Church was replaced as the centre of the nation's religious life. Emerging from a dense mesh of European ecclesiastical and political controversy and Tudor dynastic ambition, the English Reformation ended with the Pope supplanted as the head of the national church, the great monasteries -owners of much of the country's land-disbanded and destroyed, the Latin Mass replaced by vernacular services and the colourful wall paintings of parish churches whitewashed. This is a fully illustrated introduction that looks at the main players-Thomas Cranmer, Henry VIII, Thomas Cromwell and others-as well as the broad sweep of this era of bitter controversy, brutal persecution and seismic upheaval.

Book Information

Series: Shire Library (Book 818)

Paperback: 112 pages

Publisher: Shire Publications (March 24, 2015)

Customer Reviews

Richard Hayman is a medieval, industrial and architectural historian. He is the author of the Shire books Church Bench Ends and Misericords and The Green Man.

Very good overview on the Reformation, not just in Tudor England but across Europe. Well written but very concise. A quick read book with wonderful illustrations.
