Sarah Jane (Orlan Orphans Book 4)

Synopsis

Sarah Jane Jefferson never felt like she was important to anyone. Just one of the fifteen orphaned girls Edna Petunia Sanders adopted, she spent her days working in an orphanage. She had no real talent other than cooking, but she knew how to love. Needing someone to play Santa Claus for the orphans' Christmas party, she approached the handsome young pastor, Micah Barton, the new man in town. Micah Barton had his eye on one of the orphans the Sanders had adopted, and when she approached him to help her at the Christmas party he couldn't refuse. When a little girl captured his heart at the party, and he needed a wife to help him raise her, he knew what he had to do. They could parent the little girl together easily, but could they live as husband and wife as effortlessly? Or were they destined to be in a loveless marriage for the rest of their lives?

Customer Reviews

Just when I think I need a break from reading, a Kirsten Osbourne book comes out that makes me smile and warms my heart. I can always count on her for the happily ever after my heart needs to recharge and refresh. Sarah Jane and Micah have their challenges with their adopted orphan but together they can conquer the world. They do argue but anyone who has been married knows conflict happens and fingers are usually pointed at the other spouse. It's part of the growth of the

relationship and makes for a stronger marriage. It would be hard to adapt to each other's expectations with a newly adopted, misbehaving child, as Chrissy showed herself to be. Some authors keep the reader coming back for more, time and time again. Kirsten Osbourne consistently nails it with each book!

I tried to figure out why I liked this book. One it was well written. Two it got my emotions involved. I actually got angry at Micah for the way he treated Sarah Jane. It is a bit short but I don't know if that's a downfall. All in all a good read.

A story with tears, laughter and love. This book and this series proves that blood is not the only thing that makes a family love does. Highly recommend. Happy Read

~ ~ ~ ~ ~

In this countdown to Christmas book, we get to read the story of Sarah Jane. Another of the orphans adopted by everyone's favorite Edna. Sarah is a bit of a stickler for propriety but falling in love is something she wasn't expecting so quickly. A sweet story with a happy ending you will love.

What a wonderful book I loved the how we learned the story about helping others and trusting not jumping to conclusions.

I was so excited to get the next installment of the saga that is Orlan Orphans. You did not disappoint Kirsten. I loved every word! Thank you from the bottom of my Kindle .

This is another great book from Ms. Osbourne. I especially like that this book shows how important communication is between two people that are partners.

Love love all Kristen's books and her. She made Sarah Jane self efficient and very lovable all in one woman.
