Shadowed (Underground Zealot Series #3)

Synopsis

After God intervenes with a miracle of global proportions, the tide is turned on international atheism and the National Peace Organization (NPO). The underground church has grown to the extent that Christians are becoming the majority. Agent Paul Stepola and his wife Jae are exposed and forced to become international fugitives. The NPO will stop at nothing to capture Paul and eliminate the underground church—until God intervenes and the final judgment is at hand.

In the wake of a miracle of global proportions, National Peace Organization operative Paul Stepola has been exposed as a double agent-serving the zealot underground of people of faith in an atheistic world while sworn to persecute them. Now he and his family are on the run, targets of the very agency he has served for so many years. Follow him and his wife, Jae, and young children, Brie and Connor, as they try to elude capture and sentencing for treason. In this rapid-fire conclusion to the best-selling Soon series, the law banning the practice of religion around the globe is on the brink of collapse. The tide is turning . . . but personal, family hostilities threaten to end in disaster before the world comes to its senses. --This text refers to the Paperback edition.

Jerry B. Jenkins, former Vice President for Publishing and currently Writer-at-Large for the Moody Bible Institute of Chicago, is the author of more than 150 books, including the best-selling Left Behind series. Sixteen of his books have reached the New York Times best-seller list (seven in the number one spot) and have also appeared on the USA Today, Publisher's Weekly and Wall Street

Journal best-seller lists. --This text refers to the Paperback edition.

Great book/series! Kept me reading because it somehow kept me by wondering what was next. How this world acts now makes it a believable possibility. Will we ever find peace and equality or will it take Jesus returning. Love the end, while it left open thoughts it closed out without making me feel something was left unended.

I am a great fan of novels by Jerry B. Jenkins! I highly recommend this novel to everyone to read! It is a part of a series he has written.

Awesome series!

good read

Good book.

Fantastic series. Really enjoyed this series, found that I was hoping for another book in the series. I will definitely be reading more books by this author! Highly recommend the series to all readers!

The strength of this volume is its sustained, almost unbearable build-up of suspense and tension. The dangers for the beleaguered, underground Christians escalate alarmingly, right up to the not quite so abrupt conclusion. Even though the ending seems a bit contrived, it is well within the bounds of a fiction author's license. I think this is eminently and self-evidently the way to end a wonderful Trilogy. Oh NO! I am appalled! The last sentence of the book threatens endless, empty spin-offs: "How long before the world once again fell under the shadow of persecution?"

I have read the set of all three books. They are all good, but leave the reader hanging at the end. At least the left behind series follows the characters to the final conclusion. This series needs another book or two to reach a final resolution.
