# Forget-Me-Not Lake (The Adventures Of Sophie Mouse)

## Synopsis

Sophie Mouse wishes she could play in the water at Forget-Me-Not Lake with her friends, but she can't because she's a mouse. Or can she? Find out in this third book of The Adventures of Sophie Mouse. Sophie Mouse likes being a mouse. So she's excited that she and her classmates are making presentations for school about life as the type of animal they are. Sophie has already made a list of things she can do: run fast, scurry into small places, and more. But while playing at Forget-Me-Not Lake with her friends Hattie Frog and Owen Snake, Sophie realizes one thing she definitely can't do: swim! Hattie and Owen are having so much fun in the water, and Sophie will never be able to join them. Sophie starts to think that being a mouse isn't so special, after all. When Sophie's friends notice her disappointment, can they figure out a way to get her out on the water? With easy-to-read language and illustrations on almost every page, the Adventures of Sophie Mouse chapter books are perfect for beginning readers.

Poppy Green can talk to animals! Unfortunately, they never talk back to her. So she started writing in order to imagine what they might say and do when humans aren't watching. Poppy lives

on the edge of the woods in Connecticut, where her backyard is often a playground for all kinds of wildlife: birds, rabbits, squirrels, voles, skunks, deer, and the occasional wild turkey. Jennifer A. Bell is an illustrator whose work can be found on greeting cards, in magazines, and in over a dozen children's books. She lives with her husband, son, and cranky cat in Minneapolis, Minnesota.

### Forget-Me-Not Lake

This series of books is amazing. We are reading them to a 3 & 5 year old at bed time. They are so excited to go to bed because it is story time and they can't wait to find out what happened next. Each book is full of adventures and laughs. There is a lesson to be learned in each story and the kids get the message. It's great. We read the first 2 and then couldn't wait to get all the rest.

Excellent book! My six year old daughter loves these books. We take turns reading them together. They are a challenge for her to read but she loves the stories and is willing to try. These are a great step up to chapter books for readers who have moved into wanting more challenging reads. The story is excellent, sweet and fun. My daughter loves them.

Great series for young girls.

This is a great series. If you want to get you child to read, this is the set. Purchased one book for our granddaughter, then got the whole series because she enjoys it so much. Even her brother loves it. They didn't want me to stop reading after two chapters, always wanted to go on.

My almost 6 years old granddaughter LOVES these Sophie Mouse books. We chose Sophie Mouse as her introduction to chapter books- and what a success! The adult (Dad, Mom, or Grammy) putting her to bed reads two chapters each night. We expect that these cute stories will be read again when she is the one reading at bedtime.

We found this books recently and my three year old loves them!! She can't wait for bedtime to know more about Sophie, Hattie and Winston!! The stories are sweet and entertaining and uses really easy language for beginners readers.

My 8 year old daughter is a reluctant reader, but she loves these books! Reads them in 2-3 days and can't wait until the next ones come out!

These books are so cute! We look forward to the release of each new one. I would also recommend the Violet Mackerel series if you like this one.
