## Customer Reviews

Quasten, Professor of Ancient Church History and Christian Archaeology. Augustine was born in AD 354. He lived a wild, self-destructive life as a young man in Italy and was the subject of many prayers by his worried mother, Monica. After a life-changing conversion, he lived on to become a tremendous influence on Christian thinking. He died in AD 430.

Of course, you have to love St. Augustine. Easier to read than many patristics. Very basic book for anyone serious about catechesis and history of theology.
