An avid outdoor enthusiast and part-time Adirondack resident, Michaela Gaaserud is always eager to try new activities and learn about the history and unique aspects of the park. A longtime travel writer, Michaela has written for newspapers, magazines and national publications such as Canoe & Kayak Magazine and Paddler Magazine.

This book contains excellent coverage of the Lake George area.

There is more information on the internet than in this book . The Resturant revues were helpful but nit the section in attractions . The best one were left out . I would not recommend this book

This wasn't really what I was looking for. It was very commercial, more like a website. The item was returned.

They've got the whole Park covered here, including Lake George and Old Forge, in a beautiful layout of all you need to know.

A practical well organized straightforward guide chock-full of useful information suitable for all travelers and activity levels. Descriptively written spiced with wit and handy local knowledge; a sensible guide given the abundance and variety of things to see, do and eat in Lake Placid and surrounding areas.
