## Customer Reviews

Great pictures which entice you to go visit this beautiful continent. The close up pictures of the animals is mesmerizing.

The photos are awesome and very memorable. Yet, starting at 53%, they are all the same as his other books. I'm getting these through Kindle Unlimited, so I'm definitely going to go through them all. If I had to pay for each book, I just would not have the money to keep buying the same thing over again. The first half of the book is wonderful.
