Milly's Cream: Taming The Hucow (Hucow Menage Erotica)

Synopsis

One cowboy just isn't enough when a girl has big, creamy breasts to pump dry. Tammy can't believe her eyes when two rough, muscled ranchers drink from her curvy friend Anna's jugs. It's Milly's turn next to be strapped down and taught how to be a good human cow. Tammy knows that she will soon be taken and milked. For now, she can't tear her eyes away from Milly's writhing body and her gorgeous milk-engorged breasts. The demanding cowboys humiliate the new hu-cow and take her, filling her with two thick rods at the same time. Maybe Tammy will be given a taste of something creamy too? This 5,800+ word short story focuses on a new human cow being taken by a group of cowboys and milked for the first time. This story includes cowboys, human cows, rough sex, backdoor action and an ample amount of dairy.

Customer Reviews

it is a short read about a hu-cow, a subject that i just came across a couple of months ago. this is the second in the trilogy by narcissa rivers. these women are injected with a formula that causes them to start lactating and their breast grow to a larger than can be expected size. after some serious

fu***** they are allowed to have their breasts milked but until then their breasts are bound with leather straps to the point of pain, but with the hormones in them it isn't always a bad pain.

Wow, this is hot. Especially since we read it through the eyes of Tammy. She wants the farmer for herself, but is still fighting against becoming a hu cow. But seeing her second friend being turned into one with so much joy, she can't help but being turned on very much. She even begs for his cock and he gives it to her mouth. Looking forward to the next book about herself. Hopefully it is as hot as this one.

This was the type of rough Hu cow story I like. Don't really know why but they are so lustful and sexy.
