The Clear Quran: A Thematic English Translation ("Allah" Edition)

Synopsis

For a translation to do justice to the Quran and capture its elegance and vigor, it has to be accurate, smooth, eloquent, and accessible. Unlike most popular translations, The Clear Quran masterfully passes on all counts. ABOUT THE TRANSLATION Thousands of hours have been put into this work over the last few years to guarantee accuracy, clarity, eloquence, and flow. To achieve accuracy, the translator has made use of the greatest and most celebrated works of old and modern tafsir (Quran commentaries), and shared the work with several Imams in North America for feedback and insight. For clarity, every effort has been made to select easy to understand words and phrases that reflect the beauty, flow, and power of the original text. Along with informative footnotes and surah (chapter) introductions, verses have been grouped and titled based on their themes for a better understanding of the chapters, their main concepts, and internal coherence. Thanks to our dedicated team of scholars, editors, and proofreaders, we believe that what you are holding in your hands now is the finest translation of the Final Revelation. This translation has been officially approved by Al-Azhar (the most prestigious school of Islamic knowledge in the world) and endorsed by ISNA and the Canadian Council of Imams. ABOUT THE TRANSLATOR With two decades of experience in Islamic translation, Dr. Mustafa Khattab is an authority on interpreting the Quran. He was a member of the first team that translated the Ramadan night prayers (Tarawāh) live from the Sacred Mosque in Mecca and the Prophet's Mosque in Medina (2002-2005). He memorized the entire Quran at a young age, and later obtained a professional ijāzah in the ḥafāẓ style of recitation with a chain of narrators going all the way to Prophet Muḥammad (ﷺ). Dr. Khattab received his Ph.D., M.A., and B.A. in Islamic Studies in English with Honors from Al-Azhar University's Faculty of Languages & Translation. He lectured on Islam at Clemson University (OLLI Program, 2009-2010), held the position of Lecturer at Al-Azhar University for over a decade starting in 2003, and served as the Muslim Chaplain at Brock University (2014-2016). He is a member of the Canadian Council of Imams and a Fulbright Interfaith Scholar. He has served as an Imam in the U.S.A. and Canada since 2007 and is the author of The Nation of Islam (2011) and contributor to the Encyclopedia of Muslim American History (2010). His forthcoming work is Outfoxing Fox News: A Fair & Balanced Study of the Network's Coverage of Islam & Muslims After 9/11.

Customer Reviews

I like it for it's simplicity and the headings on each chapter explaining it. So far I did not dislike anything. I recommend this to all humanity. It's 5 stars because it's the best English translation of the Quran I've ever read.
