"Seventeen Magazine" Brooklyn Stevens sits in a pool of her own blood, tied up and gagged. No one outside of these dank basement walls knows she's here. No one can hear her scream. Sofia Flores knows she shouldn't have gotten involved. When she befriended Riley, Grace, and Alexis on her first day at school, she admired them, with their perfect hair and their good-girl ways. They said they wanted to save Brooklyn. They wanted to help her. Sofia didn't realize they believed Brooklyn was possessed. Now, Riley and the girls are performing an exorcism on Brooklyn "but their idea of an exorcism is closer to torture than salvation. All Sofia wants is to get out of this house. But there is no way out. Sofia can't go against the other girls...unless she wants to be next." By the shockingly twisted end, readers will be faced with the most haunting question of all: Is there evil in all of us?

Gr 7 Up "On the first day of her new school, Sofia Flores meets Riley, the school's popular girl who seems as religious as she is beautiful. Riley explains that she used to be friends with another girl, Brooklyn, but that they drifted apart when Brooklyn veered off the path of God. When Sofia catches Brooklyn cheating with Riley's boyfriend, she finds herself caught in Riley's plan to "save" Brooklyn. It soon becomes clear that the exorcism Riley believes is necessary for Brooklyn's salvation is more

akin to torture, and Sofia must decide who really is evil and what she must do about it, even if it means becoming the next target. Vega's suspenseful novel is riveting, thanks to Amy Rubinate's masterful narration, though its graphic nature makes the tale suitable for mature older readers. Horror fans will be happy to see this addition to library shelves, and will be looking for a sequel.âAmanda Rollins, Northwest Village School, Plainville, CT --This text refers to the Audio CD edition.

Its a book where if you don't read the summary of it then you're in for a big surprise!!! I was reading it and when it took a wild turn it was amazed and surprised. Its a very good book and makes you want to read the second !

You are the best.....

It did have the mean girls /exorcist vibe but it also reminded me of the craft (movie). Overall I liked it but I did feel like Sofia was weak and too quick to follow.

I actually bought this book on accident.... So I was surprised how much I enjoyed this book! The book had me stressed out , sitting on the edge of my seat and wanting to know what's going to happen next! You will read it in one setting!!! I definitely have a new author I'm going to follow

I couldn't put this down. Even when I was at work I was sneaking into the back room and wedging my phone where it wouldn't be seen to keep reading. Can't wait to get to the sequel!

Who do you trust when the chaos begins? One moment you want to root for one person, then you

aren't sure if you should be rooting for the other one. The story keeps you guessing until the end when you finally learn Sofia's secret that she's trying to escape from.

The book came in excellent condition, and was exactly as I expected. It's kind of a teenage thriller, however the synopsis already gives away most of the plot, which is a little disappointing. A good, fast read right before Halloween!

Nice
