## Synopsis

Crochet Mandala: 17 Amazing Crochet Mandala Projects

If this is your first time crocheting mandalas, I should warn you. You will become obsessed with them in no time! A mandala is basically a circle, and throughout centuries, it has been a symbol of completion. In art and religion, this ancient symbol combines with other circular patterns to give the whole item a spiritual significance. Generally, mandalas allow you to play with colors, but when you have more complex patterns, it is better to use just one color so that the focus is on the intricate pattern. How to use these flat crocheted circles? The main function of mandalas is to be decorative. So, they can be used as chair pads if they are thick enough. Either one or double-layered, structured or lace, you can also use mandalas as coasters, trivets, table covers, etc. Mandalas make great rugs, and you can even use old T-shirts to make T-shirt yarn. Need more ideas? In this book, you will find 17 lovely patterns that will give you an opportunity not only to make your coasters, rugs, and wall decorations, but you will be also able to use them for a variety of projects centered on a mandala motif. Take a look at the easy-to-follow instructions to make cute gifts for your loved ones or lovely decorations for your home. Let's see what you can crochet:

Chapter 1 – Crochet Mandala Rugs

- Viola Mandala
- Granny Mandala Rug
- Giant Mandala Rug

Chapter 2 – Crochet Decorative Mandalas

- Hooped Granny Circle Mandala
- Puffy Mandala Pattern
- Elegant Mandala
- Marine Blue Mandala
- Mandala Wheel
- Wall Hanging Mandala
- Flowery Mandala

Chapter 3 – Crochet Mandala Coasters

- Joy Mandala Coaster
- Strawflower Coaster
- Old-Fashioned Mandala Simple Mandala Coaster
- Flower Mandala Coaster
- Sunny Flower Mandala
- Summer Rose Mandala

One great thing about mandalas I especially like is that they can be a form of self-care. What I mean is that this is a way of meditation, a way that calms you down as it draws your attention only on the pattern itself. So, pick a pattern, grab your hook and needle, focus on the pattern and start working on your mandala. Happy crocheting!

## Customer Reviews

The patterns included in this book are plagiarized from free and purchased patterns available online, with no credit to the original authors whatsoever.

Nice designs. No info on how much yarn is needed or how large the items are. Shows hoop mandalas, what size hoops are needed, what size hooks, what type of yarn, what's the gauge? Sorry, this does not have all the info you need to create the pieces. I like to have everything before I start a project so I can complete it without waiting to the very end to know what size it is going to be. How big is the Viola Rug? 12", 24", 32"? When I want to do a project, you need to know how much yarn of a particular lot to get. Main color, secondary colors? This is good for ideas, but lacks seriously on details for newbies. Experienced crocheters may be able to guess by the picture and number of rows listed. Disappointed.

4 stars because yarn size & hook size are not included in the patterns.

Ok

If you frequent Pinterest for patterns, know that the 3 rug patterns are the only ones I recognize from the feed. The others don't seem to be on there and are pretty basic. Good patterns for beginners.

Hard to follow instructions

I'm using the stitches in the book to try and make a spare tire cover for my Jeep.
