Then And Now Bible Maps: Compare Bible Times With Modern Day Lands

Synopsis

Enjoy These Click-and-Enlarge Maps to Compare Biblical Places with Today's Cities and Countries Then and Now Bible Map® Pamphlet is a full-color booklet that includes 17 maps showing biblical cities and countries in black and modern-day map boundaries in red. These bright colorful Bible maps are affordable and have large print. They cover the major biblical areas: Canaan, Assyria, Babylon, Egypt, Paul's Journeys to Rome, and the land given to the 12 tribes of Israel. The Then & Now Bible Map® Pamphlet is a fantastic Bible study tool. Rose Publishing is the #1 Christian publisher of Bible maps and atlases, occupying the majority of the slots in the Top 10 list of best-selling Bible Maps and Atlases."Then & Now® Bible Maps pamphlet makes it easy to compare Bible times with modern times. On each of the 17 maps, modern-day cities and countries appear in red type or red underline if the name has remained the same. Then & Now® Bible Maps provides helpful historic information, such as: The Holy Land: Then (1300 BC Twelve Tribes) and Now (modern times) uses color coding to show Canaan divided by the Twelve Tribes, and also shows the historical and modern-day names of cities within the regions occupied by the Twelve Tribes Paul's Journeys: Then (AD 47-62) and Now (modern times) shows the locations of the Seven Churches of Asia (modern day Turkey) found in Revelation 1-3, as well as cities, towns, ancient ruins, mountains, modern capital cities and a key for measuring the distance traveled from city to city Empires & Kingdoms: Then and Now® shows the changing boundaries of the Assyrian Empire, Babylonian Kingdom, and Persian Empire You will refer to the Then & Now® Bible Maps pamphlet often to see: The Middle East Bible Times and Today The Holy Land: Then (1300 BC Twelve Tribes) and Now (Modern Times) Empires & Kingdoms: Then and Now® The Holy Land: 1020 BC and 900 BC Places of Jesus' Ministry Then (AD 26-30) and Now The Holy Land: Then (New Testament Times AD 1-70) and Now (Modern Times) Paul's Journeys: Then (AD 47-62) and Now (Modern Times) Paul's Journeys: AD 47-62 Paul's Second Journey: AD 49-51 Paul's Third Journey: AD 52-57 Paul's Journey to Rome: AD 57-62 Then & Now Bible Maps is a fascinating resource that you will refer to again and again when you are studying the Bible.

Customer Reviews

I purchased so that I could view the maps on my iPad in the Kindle app. Instead I was presented with a notice that due to screen limitations everything had been redesigned, and all I had to do was visit their web site and download the free PDF file. Grand, I now have the maps on my desktop computer, but NOT on my iPad in the Kindle app—which is where I wanted to use them. Since I had to give them my email to get the PDF files, I'm guessing I'll be bombarded with junk mail. The Kindle version of these maps is nothing more than an advertisement. I'm very disappointed.

This is a great map for anyone studying scripture. I am in a bible study and we are studying Isaiah all year long. These maps are extremely helpful to put names with places, and adds so much more to my bible study. I also love the fact that the overlays tell you where these ancient cities are named today. Every time I turn on the news and hear about different events in the Middle East, I can reference what those places were 2000-4000 years ago, and what historical event took place there. It's very fascinating! Rose (the publisher) also sells a pocket version for \$4 each. It's not as extensive as this one, but because I loved this one so much, I bought the pocket version for my entire bible study class. There is also a then and now "deluxe" version that has even more maps and more reference material.

Excellent map selections. Even modern areas, such as Golan Heights, West Bank, Gaza Strip, and so on are clearly outlined. also, coastal cities, Paul's routes, entire Red Sea area, Arabian Sea, Haran, Tigris and Euphrates Rivers, Persian Gulf, modern places in red, ancient lands in black, 12 Tribes in Canaan, Empires and Kingdoms, Jesus' travels area, and so on.

This Bible map book has clear plastic overlay that show where certain places mentioned in the Bible are located today! (It is also available as a set of overhead transparencies, which is ISBN 0965508234.) This spiral-bound book contains 12 full-color Bible maps, each with a clear plastic overlay that shows modern-day cities and countries. Includes the following maps: * The Middle East during Old Testament Times * Overlay of modern-day Middle East * The Assyrian Empire, Babylonian Kingdoms and Persian Empire * Overlay of same areas with modern-day countries * The Holy Land during the time of the Old Testament * Overlays of United Kingdom, Divided Kingdom, modern-day Israel and surrounding countries * The Holy Land during the time of Jesus * Overlay of modern-day Holy Land * Paul's Journeys (Roman Empire at AD 60) * Overlay of modern-day Mediterranean area. The print is relatively large for an Bible atlas (not giant print, but not as bad as some Bible atlases).

The maps from ancient times overlaid by maps of today's nations is helpful. I finally discovered that if you set the cursor in the center of the map and click, the map enlarges enough to read the words. For months I didn't know that.

I bought one of these for me and then reordered two more for friends of mine that do ministry work. It is well made, durable, colorful, a good price and very interesting to see how they show both the Bible times location and where the places are today. Very good value!

Really neat! Keep it in my Bible cover with my Bible so I can refer to it and better understand the places that are mentioned in the Old Testament compared to our current maps of today!

Awesome bible map, very accurate and perfect for bible study or teaching. Love how simple everything is laid out and how you can refer to the old and the new. Super fast shipping and excellent seller
